REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1 and 10 are allowable for the reasons set forth in the amendment filed September 5, 2006. Specifically, the claims have been amended to recite the orientation of the support surface. The resulting combinations are not shown or taught by the prior art of record. Claim 11 is allowable for the details related to the combination of the first and second dampers, the spring, the first and second member, and the attachable/detachable feature. Claims 13 and 31 are allowable for the details related to the combination of the first and second damper and torque transmission member. Claims 23 and 30 are allowable for the details related to the combination of the flexible member and the attachable/detachable feature. The resulting abovementioned combinations are not shown or taught by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
